### Watts Tyre Group announce expansion of Interfit into Czech Republic

Watts Tyre Group, the industrial tyre and wheel specialist has today announced that it is expanding its service operation **Interfit** into the Czech Republic.

Chief Executive Jean-Paul Mindermann commented “following the successful launch of Interfit in UK, France and Germany we are delighted to announce our move into the Czech Republic. Interfit is a business built on the simple concept of service excellence and we are very excited about taking the business into new territories. In the 6 months since Interfit was launched we have already seen how customers benefit from a multi brand choice and our service standards; we are confident that wherever Interfit has a presence customers will find the same.”

“Interfit is Europe’s leading on site tyre and wheel service supplier to the materials handling industry, by bringing the business to the Czech Republic we are strengthening that position and we anticipate that this will be the first of a number of expansions for Interfit.”

Interfit operations in Czech Republic will commence in September 2010 following a three month set up period.
